LIFANG & PARTNERS

Non-performing Assets

Lifang & Partners has a distressed assets disposal team composed of more than 20 legal professionals. Most of the team have significant experience in enforcing judgments and disposing of distressed assets as employees of large financial institutions. They have provided long-term legal advisory services to many asset management companies and have rich practical experience in distressed asset disposal.

Lifang & Partners' legal service team has been tracking and studying changes in laws and regulations in the fields related to the disposal of distressed assets for a long time, grasps the trend of regulatory policies, and meets the various legal service needs of clients in response to changes in the distressed assets market.

Lifang & Partners' distressed assets legal service team provides daily legal counselling, asset due diligence, asset disposal proposals, transaction structure design, contract drafting, legal advice, debt settlement, negotiation, litigation and judgment execution. In the process of all-round, one-stop and whole process legal services, we comprehensively use various distressed assets disposal means, such as acquisition and transfer of distressed assets, asset replacement, debt restructuring, corporate restructuring, bankruptcy liquidation and judicial liquidation to help clients with distressed assets disposal needs to improve their disposal capacity,

Disposal of Non-performing Assets

In the process of providing legal services to financial institutions and dealing with all kinds of distressed assets, we have accumulated rich experience.

Our legal services in this field cover:
